CALL TO CONFESSION

SILENT CONFESSION

PRAYER OF CONFESSION

God of Grace, your instructions to us have been clear. We are to proclaim your Gospel, yet we find ourselves to be timid. We are to care for all of those around us who are in need, but we are fearful of those who look or sound or seem different. We are to find patience and compassion in things great and small, though such emotions only seem to get in our own way. Guide us that we might better listen to Your assertion that we can join your disciples in creating a world that is much closer to Your will for us than we can seem to imagine. Forgive us for those times we choose to follow our own desires and wishes. Help us to overcome the anxiety we have about serving you. May we always trust your Good News to be pathway that we follow. We pray this in the name of Your son, Jesus Christ, our savior. Amen.
